Subject: LOI for React JS Full Stack Development with PostgreSQL Training Program

Dear Mr. Nareshh,

We are pleased to issue this **Letter of Intent (LOI)** to confirm Advaitecs Private Limited's intention to engage your services as the **Trainer/Instructor** for our upcoming **Online React JS Full-Stack Development with PostgreSQL Training Program**.

The program is intended to provide participants with practical, industry-oriented training through instructor-led online sessions, hands-on coding, project development, and exposure to modern full-stack development practices.

1. Program Details

Program: React JS Full-Stack Development with PostgreSQL

Mode of Training: Online

Estimated Start Date: 05 November 2026

Duration: Approximately 2 Months / 8 Weeks

Training Days: 5 Days per Week

Tentative Session Timing: 9:30 AM to 11:00 AM

Session Duration: 1.5 Hours

2. Training Responsibilities

The Trainer will be responsible for:

- Conducting the scheduled training sessions online as mutually agreed.
- Providing instructor-led, hands-on and practical training.
- Explaining concepts and demonstrating their practical implementation.
- Guiding participants through coding exercises and project development.
- Supporting participants with technical questions and project-related guidance during the training.
- Covering the agreed curriculum within the planned duration, subject to student pace and practical requirements.

3. Batch Size and Training Fee

The proposed training fee is: **₹20,000 per month for a batch of up to 10 students.**

The agreed training fee for the two-month program is: **₹40,000 for up to 10 students.**

The final number of students will be communicated to the Trainer by 03 November 2026.

In case the final number of students is more than 10, the additional training fee/commercial terms will be discussed and mutually agreed upon separately between Advaitecs and the Trainer.

4. Payment Schedule

The training fee of ₹40,000 for the two-month program will be paid in two instalments:

- First Payment: ₹20,000 on 01 November 2026
- Second Payment: ₹20,000 on 01 December 2026

The above payment schedule is based on a batch size of up to 10 students. Any additional amount applicable for a batch exceeding 10 students will be discussed and mutually agreed upon separately.

5. Training Schedule

The estimated start date for the online training program is: **05 November 2026**

Proposed Schedule: Monday to Friday (9:30 AM – 11:00 AM)

The start date and/or training schedule may be subject to change based on the final requirements and coordination between Advaitecs and the Trainer.

Any change to the estimated start date, schedule, or other agreed arrangements will be communicated to the Trainer in advance.

6. Curriculum

The training will broadly cover:

- React JS Fundamentals
- React Hooks and Context API
- React Router
- Redux Toolkit
- UI Development and Tailwind CSS
- API Integration
- Node.js and Express JS
- PostgreSQL and Relational Database Concepts
- REST API Development
- JWT Authentication and Authorization
- Advanced PostgreSQL
- AI/LLM Integration
- Testing and Debugging
- Hands-on Full Stack Project Development

7. Confirmation

This Letter of Intent represents Advaitecs Private Limited's intention to proceed with the above training engagement, subject to final confirmation of the batch strength, schedule, and mutually agreed commercial terms.

8. Acceptance

We look forward to working with you in delivering a practical and industry-oriented Full Stack Development program for our learners.

Kindly confirm your acceptance of this Letter of Intent and the proposed training engagement by signing below.
